WAITING PERIOD means the period of days, starting on the Date of Hire, that an Employee must be continuously Actively at Work while in an eligible class. Initial Employees will be given credit for time served under the Participating Unit's prior carrier if the policy replaced the same type of coverage an Employee had with the prior carrier. SECTION 3 - ELIGIBILITY AND INDIVIDUAL EFFECTIVE DATE

DEFINITIONS

PLAN means either a Core Plan or a CorePLUS Plan as designed by the Participating Unit.

CORE PLAN means the base plan as designed by the Participating Unit. The Core Plan is usually paid for by the Participating Unit, but may require premium contributions from the Person.

COREPLUS PLAN means a plan designed by the Participating Unit that generally provides the Employee with an increased level of coverage than that offered under the Core Plan. The Participating Unit and/or the Person may contribute toward the cost of the CorePLUS Plan.

INITIAL EMPLOYEE: This is an eligible Employee who is Actively At Work and has completed the Waiting Period for Initial Employees before the Participating Unit's original Effective Date.

NEW EMPLOYEE: This is an eligible Employee who was Actively At Work before the Participating Unit's original Effective Date, but did not complete the Waiting Period for an Initial Employee prior to that date. It also means an eligible Employee who has completed the Waiting Period for New Employees and was Actively At Work on or after the Participating Unit's original Effective Date.

LATE ENROLLEE: A Late Enrollee is an Initial or New Employee who is Actively At Work, but does not request coverage during his Initial Enrollment Period.

ELIGIBILITY DATE: An Employee who is in an eligible class, as shown on the Schedule of Benefits and has satisfied his Waiting Period, becomes eligible for Personal Insurance under the policy on:

- 1) *Initial Employees*: the Participating Unit's original Effective Date of coverage under the policy; or
- 2) *New Employees*: first day of the Coverage Month following the Waiting Period.

SECTION 3 - ELIGIBILITY AND INDIVIDUAL EFFECTIVE DATE

ENROLLMENT: To be considered for coverage, an eligible Employee must enroll for a Core Plan or CorePLUS Plan under the policy. Eligible Employees must complete and sign a written request for coverage on an enrollment form approved by AUL and pay the required premiums before coverage will become effective. Coverage may only be requested during an Initial, Scheduled or Delayed Enrollment Period, as follows:

- 1) **INITIAL ENROLLMENT PERIOD:** The Initial Enrollment Period is the time during which an eligible Employee, who is Actively At Work, may first enroll for coverage under a Plan available to his class. An eligible Employee may waive coverage or request coverage under any Plan offered by the Participating Unit for his class. He can do this following completion of the Waiting Period without providing Evidence Of Insurability. If an eligible Employee chooses not to request coverage during the Initial Enrollment Period, he will be considered a Late Enrollee. Late Enrollees may only enroll during a Scheduled Enrollment Period and will be required to provide satisfactory Evidence of Insurability without expense to AUL.

An Employee may make his initial written application for coverage during the Initial Enrollment Period, which is:

- a) *Initial Employee:* the period of time agreed to by AUL and the Participating Unit; or
 - b) *New Employee:* the period that ends 31 days after the New Employee's Eligibility Date.
- 2) **SCHEDULED ENROLLMENT PERIOD:** The Scheduled Enrollment Period is chosen by the Participating Unit and must be approved by AUL. It is a recurrent period of days, after the Participating Unit's original Effective Date, during which:
 - a) an Employee may apply in writing, on an AUL approved enrollment form, for coverage under the policy. Late Enrollees will be required to provide Evidence Of Insurability; and
 - b) a Person may decrease his coverage, or increase his coverage to the next higher Plan available to his class, without Evidence of Insurability. If a Person decides not to make a change in his coverage during this period, he will continue to be covered under the same Plan until the next Scheduled Enrollment Period and no change in his coverage can be made until then.
 - 3) **DELAYED ENROLLMENT PERIOD.** An eligible Initial or New Employee who is not Actively At Work during his Initial Enrollment Period may enroll for a Core Plan or CorePLUS Plan without providing Evidence of Insurability. He may do this if:
 - a) he has returned to full-time Active Work;
 - b) he is in an eligible class as indicated on the Schedule of Benefits;
 - c) his Waiting Period was completed prior to his cessation of Active Work; and
 - d) he enrolls within 31 days from the day he returns to Active Work.

A former Employee, formerly insured under the policy, who is rehired by the Participating Unit and returns to regular full-time employment may request coverage under the policy. However, the Employee must meet the Eligibility requirements for New Employees as stated in the policy. He may only request coverage under the same Plan for which he was insured on the date his employment terminated, if that Plan is available.

SECTION 3 - ELIGIBILITY AND INDIVIDUAL EFFECTIVE DATE

INDIVIDUAL EFFECTIVE DATE OF INSURANCE

INITIAL EMPLOYEES: For coverage requested during an Initial Enrollment Period, the Individual Effective Date of Insurance for an eligible Initial Employee is the Participating Unit's original Effective Date.

NEW EMPLOYEES: For coverage requested during an Initial Enrollment Period, the Individual Effective Date of Insurance for an eligible New Employee is the date following the request if that date falls on the first day of the Coverage Month; otherwise the first day of the next Coverage Month.

AMOUNTS IN EXCESS OF THE GUARANTEED ISSUE AMOUNT: Any portion of the Maximum Weekly Benefit that exceeds the Guaranteed Issue Amount will require Evidence of Insurability, satisfactory and without expense to AUL. If the excess portion is approved, the effective date for that portion will be named by AUL. If the excess portion is not approved by AUL, the Maximum Weekly Benefit will be an amount equal to the Guaranteed Issue Amount shown on the Schedule of Benefits.

If the Employee is not Actively At Work on the date insurance would otherwise become effective, the Individual Effective Date of Insurance is the date the Employee returns to full-time Active Work.

LATE ENROLLEES: FOR COVERAGE REQUESTED BY A LATE ENROLLEE DURING A SCHEDULED ENROLLMENT PERIOD, SATISFACTORY EVIDENCE OF INSURABILITY IS REQUIRED WITHOUT EXPENSE TO AUL. THE INDIVIDUAL EFFECTIVE DATE OF INSURANCE WILL BE NAMED BY AUL.

SECTION 4 - CHANGES IN INSURANCE

The effective date of any change for the Person is:

- 1) the date the request for change is approved by AUL, if the approval date is the first day of a Coverage Month; or
- 2) the first day of the next Coverage Month, if the request for change is approved after the first day of a Coverage Month.

If the Person is not Actively At Work on the effective date of change, the Person becomes eligible for the change on the first day that the Person returns to Active Work.

If the change is an increase of \$200 or more in the Maximum Weekly Benefit, the provision entitled PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED MAXIMUM WEEKLY BENEFIT as shown in Section 9 "EXCLUSIONS" will apply to the increased amount.

CHANGING PLANS: After the Initial Enrollment Period a Person may increase or decrease his coverage, to another Plan available to his Class. He may do this only during a Scheduled Enrollment Period. The request for a change in Plans and agreement to pay the required premium must be made in writing on a form approved by AUL.

An increase in coverage to the next higher Plan available to a Person's Class will not require Evidence of Insurability. Requests to increase coverage to a Plan other than the next higher Plan will not be allowed. If a Person fails to apply for an increase or decrease in coverage during the Scheduled Enrollment Period, he will continue to be covered under his current Plan until the next Scheduled Enrollment Period.

The provision entitled PRE-EXISTING CONDITION EXCLUSION FOR A CHANGE IN PLANS shown in Section 9 - EXCLUSIONS, will apply to a change in Plans resulting in an increase in coverage.

CHANGE IN EFFECTIVE DATE: If a Person changes Plans during a Scheduled Enrollment Period, the effective date for that change in Plans is the first day of the Coverage Month following the Scheduled Enrollment Period. The effective date for all other changes, except a change in Plans, is the date the request for change is approved by AUL, if the approval date is the first day of a Coverage Month; otherwise the first day of the next Coverage Month.

If the Person is not Actively At Work on the effective date of any change, as stated above, the Person becomes eligible for the change on the first day that he returns to Active Work.

If the change is an increase in the Maximum Weekly Benefit of \$200 or more, the provision entitled PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED MAXIMUM WEEKLY BENEFIT as shown in Section 9 -EXCLUSIONS, applies to the increased amount.

SECTION 5 - TERMINATIONS

INDIVIDUAL TERMINATIONS: A Person will cease to be insured on the EARLIEST of the following dates:

 - a) during the Elimination Period; or
 - b) during the period the Person is eligible to receive a Weekly Benefit; or
 - c) during any temporary leave of absence according to the appropriate Continuation of Personal Insurance benefit if premiums continue to be paid during the leave, and the benefit was elected by the Participating Unit, shown on the Schedule of Benefits and approved by AUL; and
 - d) to the end of the Coverage Month following the month that a Person is temporarily laid off as long as premiums continue to be paid, if coverage during a temporary layoff was requested by the Participating Unit on the Subscription Agreement and approved by AUL.

- 5) the date ending the Coverage Month for which the last premium payment is made for the Participating Unit's insurance;
- 6) at the end of a Coverage Month, provided that AUL has given at least 60 calendar days prior written notice to the Participating Unit; or
- 7) at the end of a Coverage Month, if the Participating Unit has given AUL at least 31 calendar days prior written notice.

If a Person's insurance is terminated due to the termination of a Participating Unit, the Person's rights under the policy are determined as if the policy had terminated on the date the Participating Unit's coverage terminated.

If coverage for a Participating Unit terminates, the Participating Unit will be liable to AUL for all unpaid premiums for the period during which the coverage was in force.

SECTION 5 - TERMINATIONS

TERMINATION OF THE POLICY: AUL may terminate the policy at the end of any policy month by giving at least 60 days prior notice to the Policyholder.

Termination of the policy, or termination of coverage for a Participating Unit, under any conditions will be without prejudice to any claim incurred prior to termination.

EXTENDED BENEFIT: If the Person is Disabled on the date of termination of insurance, AUL will pay benefits for Disability:

- 1) after the Elimination Period has been met, if the Person is not already receiving a Weekly Benefit;
- 2) during the uninterrupted continuance of the same period of Disability; and
- 3) subject to the provisions and benefits of the policy as elected by the Participating Unit.

Benefits will be extended to the EARLIEST of the following:

- 8) the date the Person refuses to provide information to AUL to verify the Person's Current Weekly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

SECTION 5A - INDIVIDUAL REINSTATEMENT

INDIVIDUAL REINSTATEMENT: If Personal Insurance terminates under the policy due to cessation of Active Work for the Participating Unit, it may be reinstated subject to the terms of this Section. Individual Reinstatement must be requested during the 31-day period immediately following return to Active Work for the Participating Unit in accordance with the terms stated in this provision. Individual Reinstatement will be to the same eligible class that the Employee belonged to immediately prior to his termination. AUL may require Evidence of Insurability if reinstatement is requested to an eligible class that differs from the coverage the Employee had with the Participating Unit immediately prior to his cessation of Active Work. Reinstatement is subject to payment of required premiums and that the Participating Unit is currently insured by AUL under the policy.

In addition to the above requirements, the following also applies:

- 1) If an Employee returns to Active Work within 30 days (consecutive calendar days) of his Individual Termination date and requests Individual Reinstatement:
 - a) Personal Insurance will become effective the first day of the Coverage Month immediately following the date of request for Individual Reinstatement.
 - b) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amounts and eligible class held by the Employee under the policy immediately prior to cessation of Active Work.
 - c) Credit will be given towards satisfaction of the eligibility Waiting Period the Person previously served under the policy. However, any days accumulated during his period of lapse in coverage will not be credited towards this Waiting Period. The Employee will be considered a New Employee and subject to the terms of the policy, except as stated herein.
- 2) If an Employee returns to Active Work more than the number of consecutive calendar days, shown in 1) above, after his Individual Termination date and requests Individual Reinstatement:
 - a) The Employee will be considered a New Employee and subject to the terms of the policy.
 - b) Eligibility for Personal Insurance, Enrollment and his Individual Effective Date Of Insurance will be determined as stated in the policy.
 - c) The Waiting Period and Pre-Existing Condition exclusion or limitation period will start anew. The Individual Reinstatement date will be used when applying the Pre-Existing Condition exclusion or limitation period.
- 3) If Personal Insurance terminates because of a leave under the Federal Family and Medical Leave Act (FMLA), or applicable state law, approved by the Participating Unit and the Employee returns to full-time Active Work immediately following the end of the leave:
 - a) Personal Insurance will become effective immediately upon the date of request for Individual Reinstatement.
 - b) Credit will be given towards satisfaction of the Pre-Existing Condition exclusion or limitation period previously served under the policy, however, the days accumulated during the period of lapse in coverage will not be credited. The original Individual Effective Date of Insurance will be used when applying the Pre-Existing Condition exclusion or limitation period.
 - c) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amounts and eligible class that the Employee would have been entitled to prior to the leave.
- 4) If Personal Insurance terminates because a Person becomes a full-time member of the armed forces of the United States and he returns to full-time Active Work, the Person's coverage may be reinstated in accordance with Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law.

**SECTION 5B - CONTINUATION OF PERSONAL INSURANCE
UNDER THE FAMILY AND MEDICAL LEAVE ACT**

CONTINUATION OF PERSONAL INSURANCE UNDER THE FAMILY AND MEDICAL LEAVE ACT. If the Participating Unit approves a leave of absence under the Federal Family and Medical Leave Act (FMLA), a Person's coverage under the policy will be continued as stated in this provision. Personal Insurance will continue while a Person's leave is covered under FMLA, until the end of the LATER of:

- 1) the leave period permitted under FMLA or
- 2) the leave period permitted by applicable state law.

Coverage continued under this Section is subject to the following requirements:

- 1) the Participating Unit has approved a Person's leave in writing as a leave taken under FMLA;
- 2) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - Premium Payment); and
- 3) Basic Weekly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's family or medical leave began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy, or the Participating Unit's coverage under the policy, terminates;
- 5) the date a Person notifies the Participating Unit that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for an eligible class, as stated in the Schedule of Benefits;
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively At Work definition; and
- 2) the applicable number of hours needed to meet the requirement for full-time Employee, as stated in the Schedule of Benefits.

If the Participating Unit has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5C - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE AND TEMPORARY LAYOFF**

LEAVE OF ABSENCE references in this Section mean the Person is absent from Active Work for a temporary period of time that has been agreed to in advance in writing by the Participating Unit and includes temporary layoffs unless otherwise stated.

CONTINUATION OF PERSONAL INSURANCE WHILE TEMPORARILY LAID OFF. If the Participating Unit approves a Temporary Layoff, a Person's coverage under this policy will be continued to the end of the Coverage Month following the month in which the layoff begins, as long as premiums continue to be paid, subject to same requirement as a Leave of Absence.

CONTINUATION OF PERSONAL INSURANCE UNDER A LEAVE OF ABSENCE: If the Participating Unit approves a Leave of Absence, a Person's coverage under this policy will be continued to the end of the 365-day period from the date the Person begins a Leave of Absence, as long as premiums continue to be paid, subject to the following requirements:

- 1) the Participating Unit has approved a Person's Leave of Absence in writing;
- 2) applicable premiums must continue to be paid to AUL in accordance with this policy (see Section 6 - Premium Payment); and
- 3) Basic Weekly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence began.

Continuation of Personal Insurance under this provision will cease on the EARLIEST of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date this policy, or the Participating Unit's coverage under this policy, terminates;
- 5) the date a Person notifies the Participating Unit that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under this policy;
- 7) the date a Person no longer qualifies for an eligible class, as stated in the subscription agreement;
- 8) the date a Person requests termination of coverage under this policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively At Work definition; and
- 2) the applicable number of hours needed to meet the requirement for full-time Employee, as stated in the Subscription Agreement.

If the Participating Unit has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5D - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE**

LEAVE OF ABSENCE means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance in writing by the Participating Unit.

CONTINUATION OF PERSONAL INSURANCE DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE: If the Person is on a leave of absence for active military service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law, the Person's coverage may be continued until the end of:

- 1) the length of time the coverage may be continued under the policy for an FMLA leave of absence; or
- 2) the length of time the coverage may be continued under the policy for a Leave of Absence other than an FMLA leave of absence.

Coverage continued under this Section is subject to the following requirements:

- 1) applicable premiums must continue to be paid to AUL in accordance with this policy (see Section 6 - Premium Payment); and
- 2) Basic Weekly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence for active military service began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date this policy, or the Participating Unit's coverage under this policy, terminates;
- 5) the date a Person notifies the Participating Unit that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under this policy;
- 7) the date a Person no longer qualifies for an eligible class, as stated in the subscription agreement; or
- 8) the date a Person requests termination of coverage under this policy, but not prior to the date of request.

All terms and conditions of this policy will apply during the approved continuation period provided under this section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively At Work definition; and
- 2) the applicable number of hours needed to meet the requirement for full-time Employee, as stated in the Subscription Agreement.

If the Participating Unit has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

SECTION 6 - PREMIUM PAYMENT

PREMIUM PAYMENTS: The Participating Unit is responsible for properly and accurately remitting premium to AUL on or before the Due Date. All premiums will be calculated and paid in U.S. dollars. At the request of the Participating Unit and with AUL's written approval, the interval of premium payments may be changed. Payment of any premium does not maintain the insurance in force beyond the end of the period for which the premium has been paid, except as provided under the Grace Period provision. If coverage is Contributory Insurance, premium paid by the Person may be paid by means of payroll deduction administered by the Participating Unit. Overpayment of premium will not result in increases in any coverage amounts for the Participating Unit or Persons eligible for benefits under the policy.

Premiums for a Person's coverage under the policy shall be charged from the Person's Individual Effective Date of Insurance. Premium charges will cease on the Person's Individual Termination date. However, if the Person is Disabled on his Individual Termination date, and subsequently becomes eligible for the Extended Benefit, premium charges will continue until the date the Extended Benefit is terminated.

The above manner of charging premiums applies only to a Person's insurance that is terminating, but not to the termination of a Participating Unit. Each premium payment will include adjustments in past premiums for changes that have not previously been taken into account.

PREMIUM RATES: AUL reserves the right to change premium rates on any date:

- 1) after the Participating Unit's coverage has been in effect for 3 years by giving prior written notice to the Participating Unit at least 60 days before the effective date of the change;
- 2) the eligibility and/or benefit provisions are changed;
- 3) the number of Persons insured through the Participating Unit changes by 25% or more; or
- 4) a subsidiary or affiliate is added to, or deleted from, the Participating Unit's coverage under the policy.

SECTION 7 - GENERAL POLICY PROVISIONS

AGENCY: For all purposes of the policy, the Participating Unit acts on behalf of itself or as agent of the Person. Under no circumstances will the Participating Unit be deemed the agent of AUL without a written authorization.

AMENDMENT AND CHANGES: The policy may be amended in writing by mutual agreement between the Policyholder, the Participating Unit and AUL, without prejudice to any loss incurred prior to the effective date of the amendment. No change in the policy is valid until approved in writing by the Chief Executive Officer, President, or Secretary of AUL. No agent has the authority to change the policy or waive any of its provisions.

ASSIGNMENT: No assignment of any present or future right, or benefit under the policy will bind AUL without its prior written consent.

CERTIFICATES: AUL will issue a certificate for delivery by the Participating Unit to the insured Persons. The certificate will summarize a Person's coverage, from those available under the policy and will state:

- 1) the benefits provided; and
- 2) to whom the benefits are payable.

If there is any discrepancy between the provisions of any certificate and the provisions of the policy, the provisions of the policy will govern.

CLERICAL ERROR: Clerical error on the part of the Participating Unit or AUL will not invalidate insurance otherwise in force nor continue insurance otherwise terminated.

CONFORMITY WITH STATE LAWS: Any provision of the policy in conflict with the laws of the state in which it is delivered, is amended to conform to the minimum requirements of those laws.

DATA AND RECORDS: The Policyholder and Participating Unit must furnish all information that AUL reasonably requires. The Participating Unit must furnish all relevant information to AUL about Persons:

- 1) who qualify to become insured;
- 2) whose amounts of insurance or earnings change; and/or
- 3) whose insurance terminates.

At any reasonable time, AUL or its representatives shall have the right to inspect the records of the Policyholder or Participating Unit that, in the opinion of AUL, may have a bearing on the insurance coverage provided under the policy.

DISCRETIONARY AUTHORITY: Benefits under the policy will be paid only if AUL decides in its discretion that the applicant is entitled to them. Except for the functions the policy explicitly reserves to the Participating Unit or Trustee, AUL reserves the right to:

- 1) manage the policy and administer claims under it; and
- 2) interpret the provisions and resolve any questions arising under it.

AUL's authority includes, but is not limited to, the right to:

- 1) establish and enforce procedures for administering the policy and claims under it;
- 2) determine Employees' eligibility for insurance and entitlement to benefits;
- 3) determine what information AUL reasonably requires to make such decisions; and
- 4) resolve all matters when a claim review is requested.

Any decision that AUL makes, in the exercise of its authority, will be conclusive and final subject to any rights under Employee Retirement Income Security Act (ERISA). This provision applies only where the interpretation of the policy is governed by ERISA.

SECTION 7 - GENERAL POLICY PROVISIONS

ENTIRE CONTRACT: The policy and the applications of the individuals, the Participating Units, and the Policyholder constitute the entire contract.

GRACE PERIOD: If the Participating Unit or AUL does not give notice in writing that coverage under the policy is to be terminated, a grace period of 31 days will be granted for the payment of any premium falling due after the first premium. During the grace period, the Participating Unit's coverage under the policy will continue in force but will automatically terminate on the last day of the grace period. The Participating Unit is liable to AUL for payment of premium for the days of grace during which the Participating Unit's coverage under the policy remains in force. AUL is not obligated to pay claims incurred during the grace period until the premium due is received.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. Applicable state laws require AUL to undertake measures to detect, investigate and prosecute fraud.

Anyone that knowingly completes an application for insurance or statement of claim containing any materially false information or facts, with the intent to deceive, conceal or mislead is committing a fraudulent insurance act. This is a crime and may subject such Persons to criminal and civil penalties.

MISSTATEMENT OF FACTS: If the age, or any other fact that affects the benefits for a Person or Participating Unit has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts.

RELATIONSHIP: AUL and the Participating Unit are, and will remain, independent contractors. Nothing in the policy shall be construed as making the parties joint venturers or as creating a relationship of employer and employee, master and servant or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Participating Units each retain exclusive control of their time and methods to perform their respective duties. AUL and any Participating Unit will employ, pay and supervise their own employees and pay their own expenses during a Participating Unit's coverage under the policy.

STATEMENTS MADE IN AN APPLICATION

All statements made by the Policyholder, the Participating Unit, or insured Persons shall be deemed representations and not warranties. No such statements will be used to reduce or deny any claim or to cancel the Person's coverage unless:

- 1) the statement is in writing; and
- 2) a copy of that statement is given to the Person or his Eligible Survivor.

TIME LIMIT ON CERTAIN DEFENSES: Except in the case of fraud, no statement made by the Person relating to his insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years.

WORKER'S COMPENSATION AND WORKMEN'S COMPENSATION NOT AFFECTED: The policy is not in lieu of, and does not affect any requirement for coverage by Worker's or Workmen's Compensation Insurance.

SECTION 7A - CLAIM PROCEDURES

INITIAL NOTICE OF DISABILITY: Written notice of Disability must be given to AUL during the Elimination Period. If written notice cannot be made without the fault of the claimant, AUL must be notified as soon as it is reasonably possible to do so. Written notice should contain sufficient information to identify the Person. Notices are not considered given until received by AUL at one of its claims offices.

CLAIM FORMS FOR PROOF OF LOSS: Upon receipt of the Initial Notice of Disability, AUL will furnish the Participating Unit with any necessary claim forms to give to the Person. These forms must be properly, accurately and truthfully completed and returned to AUL. If, for any reason, the Person does not receive a claim form within 15 days of request, the Person should submit written proof of Disability. The initial claim form or proof of Disability must show:

- 1) claimant's name;
- 2) Employer's name and address;
- 3) Group number;
- 4) the date Disability started;
- 5) the cause of Disability; and
- 6) the nature and extent of the Disability.

The initial claim form or proof of Disability must be signed by a Physician and sent to AUL within 90 calendar days following the Elimination Period. If it is not possible to give proof within these limits, it must be given as soon as reasonably possible thereafter. Proof of claim may not be given later than one year after the time proof is otherwise required except in the absence of legal capacity.

AUL will also periodically send the Person additional claim forms or requests for information necessary to determine eligibility for benefits under the policy. These subsequent claim forms and requests for information must be returned to AUL within 30 days after the Person receives them.

PHYSICAL EXAMINATION: AUL, at its own expense, has the right to have a Person examined to determine the existence of any Disability that is the basis for a claim. This right may be exercised as often as is reasonably necessary, as determined by AUL, and must be performed by a Physician of AUL's choice.

LEGAL ACTION: No legal action may be brought to obtain benefits under this policy:

- 1) for at least 60 days after proof of loss has been furnished; or
- 2) before any denial or reduction of benefits by AUL has been appealed properly in writing; or
- 3) beyond the expiration of the applicable statute of limitations from the time proof of loss is required to be given.

TIME OF PAYMENT OF CLAIMS: When AUL receives a claim form or proof of Disability, benefits payable under the policy will be paid weekly during any period for which AUL is liable.

PAYMENT OF CLAIMS: All benefits, other than any survivor benefits, are payable to a Person. If a Person dies before a benefit to which he was entitled is paid, AUL has the right to pay up to \$1,000 to any of the Person's relatives to whom AUL considers entitled to such benefits. If AUL pays benefits in good faith to a person who it considers entitled to such benefits, then AUL will have no obligation to pay such benefits again. The Weekly Benefit will be calculated and paid in United States dollars, and when necessary, it will be based on the exchange rate effective on the first day of the Elimination Period.

SECTION 7A - CLAIM PROCEDURES

RIGHT TO APPEAL: If a Person wishes to appeal AUL's decision, claimants are allowed 180 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits. Whether a document, record or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. Section 2560.503-1. AUL's review will take into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. Section 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. Section 2560.503-1.

SECTION 7A - CLAIM PROCEDURES

RIGHT OF RECOVERY: If benefits have been received for which the Person was not entitled to receive under this policy, then full reimbursement to AUL is required. Such reimbursement is required whether the overpayment is due to intentional or innocent misrepresentations by the Person, intentional or innocent misrepresentations by an entity supplying AUL with information, a claims processing error or miscalculation by AUL or for any other reason. If reimbursement is not made, then AUL has the right, as allowed under law to:

- 1) reduce future benefits or any amounts payable under this policy until full reimbursement is made, and
- 2) recover such overpayments from the Person, from his beneficiary, or estate.

If AUL chooses not to use benefit payments towards the reimbursement, this will not constitute a waiver of AUL's rights to reimbursement. This provision will be in addition to, and not in lieu of, any other compensation available to AUL by law.

SECTION 8 - INSURING PROVISIONS

WEEKLY BENEFIT FOR TOTAL DISABILITY: AUL will pay Disability benefits, according to the policy, if a Person becomes Disabled while insured under the policy. When AUL receives proof that a Person is Totally Disabled due to Sickness or Injury and requires the Regular Attendance and care of a Physician, AUL will pay the Person a Weekly Benefit after he satisfies the Elimination Period.

The Weekly Benefit will be paid as long as Total Disability continues, provided that proof of continued Total Disability is submitted to AUL upon request, and the Person is under the Regular Attendance and care of a Physician. The proof must be submitted at the Person's expense.

The Weekly Benefit will not exceed the Person's Maximum Weekly Benefit, nor will it be payable for longer than the Maximum Benefit Duration shown on the Schedule Of Benefits. Weekly Benefits will not be paid during any period that a Person is incarcerated in a penal or correctional institution.

PRORATING OF THE WEEKLY BENEFIT: The Weekly Benefit payable for periods of Total Disability less than a full week's duration will be a proportionate amount for each day. The Weekly Benefit will be paid on a pro-rata basis at the rate of 1/7 per day for any period of Total Disability less than one week.

REDUCTIONS TO THE GROSS WEEKLY BENEFIT: The Gross Weekly Benefit will be reduced by Other Income Benefits as defined in Section 2 of this certificate

COST OF LIVING ADJUSTMENT FREEZE: Cost Of Living Increase means any annual increase reasonably related to the annual increase in any generally recognized cost of living measurement that applies to all Persons entitled to receive such benefits. If the Person receives a Cost Of Living Increase with regard to Other Income Benefits after the date benefits actually become payable under the policy, the Weekly Benefit will not be further reduced by such Cost Of Living Increase.

MINIMUM WEEKLY BENEFIT: While a Weekly Benefit is payable under the policy, the amount of Weekly Benefit shall not be less than the Minimum Weekly Benefit shown on the Schedule Of Benefits.

SECTION 8 - INSURING PROVISIONS

TERMINATION OF THE WEEKLY BENEFIT: The Weekly Benefit for Disability will continue until the EARLIEST of the date:

- 1) Current Weekly Income from any occupation or employment equal or exceed 80% of the Pre-Disability Earnings;
- 2) the Person ceases to be Disabled;
- 3) the Person dies;
- 4) the Maximum Benefit Duration shown on the Schedule Of Benefits is completed;
- 5) the Person fails to give AUL required proof of Disability or information required to determine if benefits are owed under the policy;
- 6) the Person refuses to allow an examination requested by AUL;
- 7) the Person is no longer under the Regular Attendance and continuing care of a Physician;
- 8) the Person refuses to provide any evidence required by AUL to verify the Person's Current Weekly Income; or
- 9) the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

RECURRENT DISABILITY: If, after a period of Disability for which benefits are payable, the Person resumes his Regular Occupation on a full-time basis and performs each Material and Substantial duty of that occupation for a period of 30 consecutive days of full-time Active Work, any recurrent Disability will be part of a new period of Disability and a new Elimination Period must be completed before the Weekly Benefit is payable.

If the Person resumes his Regular Occupation on a full-time basis and performs each Material and Substantial duty of that occupation for less than 30 consecutive days of full-time Active Work, the recurrent Disability will be considered part of the prior Disability. The recurrent Disability must be the direct result of the Injury or Sickness that caused the prior Disability. The Person is not required to complete a new Elimination Period. Benefit payments will be subject to the terms of the policy for the prior Disability. The Weekly Benefit will be based on the amount of Basic Weekly Earnings in effect immediately prior to the original Elimination Period.

The Recurrent Disability provision in this Section is only applicable as long as the Participating Unit's coverage remains in force with AUL.

SECTION 8 - INSURING PROVISIONS

RESIDUAL BENEFIT: The Elimination Period can be met using Total Disability, Partial Disability, or a combination of both. Vacation pay, salary continuation and/or sick leave pay will not be considered Current Weekly Income during the Elimination Period under this benefit.

PRESUMPTIVE DISABILITY: When a Person is Disabled and his Current Weekly Income is 20% or less than his Basic Weekly Earnings in his regular or another occupation, AUL will not reduce the Weekly Benefit by the Current Weekly Income.

WEEKLY BENEFIT FOR PARTIAL DISABILITY: When proof is received that a Person is Partially Disabled, the Partial Disability benefit will apply. Benefits are paid following completion of the Elimination Period. Partial Disability must be the direct result of the Injury or Sickness that caused the period of Total Disability immediately preceding it.

PARTIAL DISABILITY BENEFIT: The benefit for Partial Disability will be calculated as follows: $a \times b \times 70\%$

- a = Basic Weekly Earnings less income from earnings and Other Income Benefits received while Partially Disabled
- b = The Gross Weekly Benefit divided by the benefit percentage stated in the Schedule of Benefits divided by the Basic Weekly Earnings.

Benefits for Partial Disability will never exceed the Person's Maximum Weekly Benefit, nor be less than the Minimum Weekly Benefit as shown on the Schedule of Benefits page.

TERMINATION OF THE WEEKLY BENEFIT FOR PARTIAL DISABILITY: The Weekly Benefit for Partial Disability will continue until the EARLIEST of the date:

- 1) Current Weekly Income from any occupation or employment equal or exceed 80% of the Pre-Disability Earnings;
- 2) the Person ceases to be Partially Disabled;
- 3) the Person dies;
- 4) the Maximum Benefit Duration shown on the Schedule Of Benefits is completed;
- 5) the Person fails to give AUL required proof of Disability or information required to determine if benefits are owed under the policy;
- 6) the Person refuses to allow an examination requested by AUL;
- 7) the Person is no longer under the Regular Attendance and continuing care of a Physician;
- 8) the Person refuses to provide any evidence required by AUL to verify the Person's Currently Weekly Income; or
- 9) the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

SECTION 8 - INSURING PROVISIONS

SOCIAL SECURITY APPLICATION ASSISTANCE. When AUL determines that a Person is a likely candidate for Social Security Disability Insurance (SSDI), AUL may assist the Person with the application process for these benefits.

Upon written request, a representative from AUL's Group Claims Department may supply pertinent information to the Person about:

- 1) eligibility for SSDI benefits;
- 2) how to begin the application process;
- 3) how to submit an appeal;
- 4) guidelines established by the Social Security Administration for submitting appeals; and
- 5) names of organizations offering assistance.

SECTION 8 - INSURING PROVISIONS

LUMP SUM PAYMENTS: If Other Income Benefits are paid in a lump sum, that sum will be prorated by AUL on a weekly basis over the period of time for which the sum is payable. If the projected period of time that a lump sum is intended to cover is not stated, the lump sum will be prorated over a period of 60 months.

APPLICATION FOR OTHER INCOME BENEFITS: If the Person is or becomes eligible for any Other Income Benefits as defined in the policy, he must:

- 1) apply for the Other Income Benefits; and
- 2) appeal any denial for the Other Income Benefits that appears unreasonable.

Until approval or denial of any Other Income Benefits for any Disability is determined, AUL will pay the Weekly Benefit after the Elimination Period, with no reduction for estimated benefits until the appropriate entity has reached a decision. When a decision is reached, the Person must send AUL a copy of the determination and reimburse AUL for any overpayment made as a result of that decision, regardless of whether or not the coverage is still in force on the date the Person recovers such amount.

Additionally, if an award is made, AUL will reduce the Weekly Benefit by the amount of the Other Income Benefits the Person received, in accordance with the terms of the policy.

SECTION 9 - EXCLUSIONS

GENERAL EXCLUSIONS: Benefits are not payable for any Disability caused by, contributed to by, or resulting from:

- 1) participation in war or any act of war, declared or undeclared;
- 2) active participation in a riot;
- 3) attempted suicide, regardless of mental capacity;
- 4) attempted or actual self-inflicted bodily injury or self destruction, including but not limited to the voluntary inhaling or taking of:

 - d) poison; and
 - e) toxic fumes;

 - b) congenital disease or anomaly that has resulted in a functional defect;
- 7) caused by a Person legally intoxicated as defined by the law of the jurisdiction in which the incident occurs;
- 8) that occurs while a Person is incarcerated in a penal or correctional institution;

- 10) elective surgery except when required for the Person's Regular Attendance as a result of the Person's Injury or Sickness;
- 11) traveling or flying on any aircraft operated by or under authority of military or any aircraft being used for experimental purposes; or
- 12) engaging in any illegal or fraudulent occupation, work, or employment; or
- 13) which is the result of Injury or Sickness due to employment, and for which benefits are payable by any type of worker's compensation law or any similar act or law, unless 24-hour Coverage is elected in the Subscription Agreement.

SECTION 9 - EXCLUSIONS

PRE-EXISTING CONDITION EXCLUSION:

Benefits will not be paid if the Person's Disability begins in the first 12 months following the effective date of the Person's coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition, whether or not that condition is diagnosed at all or is misdiagnosed, for which the Person received medical treatment, consultation, care or services, including diagnostic measures, or was prescribed drugs or medicines in the 3 months just prior to the Person's Individual Effective Date of Insurance.

NOTE: See Section 10 under Continuity of Coverage to determine when benefits may be payable to a Person for a Disability that results from a Pre-existing Condition.

SECTION 9 - EXCLUSIONS

PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED MAXIMUM WEEKLY BENEFIT: This provision applies to an increase in Maximum Weekly Benefit of \$200 or more that occurs after the effective date of coverage of the Participating Unit.

The policy will not cover the increase in Maximum Weekly Benefit of \$200 or more if the Person's Disability begins in the first 12 months following the Participating Unit's effective date of the increase in coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition, whether or not that condition is diagnosed at all or is misdiagnosed, for which the Person received medical treatment, consultation, care or services, including diagnostic measures, or was prescribed drugs or medicines in the three (3) months just prior to the Person's effective date of increase in amount of insurance.

PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED MAXIMUM WEEKLY BENEFIT WHEN CHANGING CARRIERS: This provision applies to an increase in the Maximum Weekly Benefit when:

- 1) coverage under this policy replaces a Participating Unit's prior Short Term Disability Insurance coverage;
- 2) coverage under this policy has a Maximum Weekly Benefit that is \$200 or more in excess of the Participating Unit's Prior Plan of coverage; and
- 3) the Pre-Existing Condition limitation on the Participating Unit's Prior Plan of coverage was for a period of time of three (3) months or less.

The policy will not cover the increase in Maximum Weekly Benefit of \$200 or more if the Person's Disability begins in the first 12 months following the Participating Unit's effective date of the increase in coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition, whether or not that condition is diagnosed at all or is misdiagnosed, for which the Person received medical treatment, consultation, care or services, including diagnostic measures, or was prescribed drugs or medicines in the three (3) months just prior to the Person's effective date of increase in amount of insurance.

PRE-EXISTING CONDITION EXCLUSION FOR A CHANGE IN PLANS: This provision applies when a Person changes Plans resulting in an increase in coverage after the Participating Unit's Effective Date.

The policy will not cover the Person under the new plan if the Person's Disability begins in the first 30 days following the Participating Unit's effective date of the increase in coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition, whether or not that condition is diagnosed at all or is misdiagnosed, for which the Person received medical treatment, consultation, care or services, including diagnostic measures, or was prescribed drugs or medicines in the 30 days just prior to the Change Effective Date of the change in Plans.

A Person will receive benefits based on the Plan he was previously insured under if eligible for such benefits according to the provisions applicable to that Plan.

SECTION 10 - CONTINUITY OF COVERAGE

This section applies only when coverage under the policy replaces a Participating Unit's Prior Plan of short term disability insurance, which terminated on the day before the Participating Unit's Effective Date under the policy. This Section will apply only to Persons insured under the Participating Unit's Prior Plan on its termination date.

For the purpose of this Section, the definition of "Prior Plan" is changed to mean the Participating Unit's plan of short term disability insurance which terminated within the 90 days before the Participating Unit's Effective Date of coverage under the Group Policy.

Continuity of Coverage will apply to a Person who would not get full coverage under the policy because of the failure of the Person to be Actively At Work due to Disability, or approved Leave of Absence, or temporary layoff on the Participating Unit's Effective Date of coverage under the policy and/or a Pre-Existing Condition limitation or exclusion in the policy.

BENEFITS FOR A PERSON WHO FAILS TO BE ACTIVELY AT WORK DUE TO TOTAL DISABILITY:

The policy will cover, subject to proper premium payments, a Person who:

- 1) was insured under the Prior Plan on its termination date; and
- 2) is not Actively At Work due to Disability, or approved Leave of Absence, or temporary layoff on the Participating Unit's Effective Date of coverage under the policy.

Coverage under this provision will begin on the Participating Unit's Effective Date of coverage under the policy and will continue until the EARLIEST of:

- 1) the date the Person returns to Active Work; or
- 2) the end of any period of continuance or extension provided under the Prior Plan; or
- 3) the date coverage would otherwise end, according to the provisions of the AUL policy.

The benefits payable will be the same as the Prior Plan would have paid had coverage remained in force, less any amount for which the Prior Plan is liable.

This section of the Continuity of Coverage Provision does not establish eligibility for such a Person under the policy. Eligibility can only be met when the Person returns to full-time Active Work as described in the Eligibility and Individual Effective Date Section.

SECTION 10 - CONTINUITY OF COVERAGE

BENEFITS PAYABLE FOR A DISABILITY DUE TO A PRE-EXISTING CONDITION:

Benefits may be payable for a Disability due to a Pre-Existing Condition for a Person who:

- 1) was insured by the Prior Plan on its termination date; and
- 2) has been continuously covered under the AUL policy from the Effective Date of the Participating Unit's coverage under the policy through the date the Person's Disability began.

The benefit payable will be determined by applying the policy's Pre-Existing Condition Exclusion. If the Injury or Sickness that causes the Person's Disability is not excluded under the Pre-Existing Condition Exclusion, then the Person will be paid the benefits of the policy as elected by the Participating Unit.

If the Injury or Sickness that causes the Person's Disability is excluded under the Pre-Existing Condition Exclusion of the policy, and such Injury or Sickness is not excluded under the Prior Plan's Pre-Existing Condition exclusion, giving consideration for continuous time the Person is covered under both plans, the Person will be paid the lesser of:

- 1) the benefits of the policy determined without application of the Pre-Existing Condition exclusion or limitation; or
- 2) the benefits of the Prior Plan.

If the Injury or Sickness is excluded under the Prior Plan's Pre-Existing Condition exclusion, giving consideration for continuous time the Person is covered under both the Prior Plan and the policy, then no benefits will be paid.
